

Our approach to Maths

At Ladywood, we support the learning of maths through our purpose written schemes of work for Number and Maths Topic.

This ensures that every child follows a highly personalised curriculum, using their individual scheme of work and targets to ensuring that all pupils are given the opportunity to build upon developing mathematical skills.

We teach Maths Number skills consistently throughout the year and focus on a more specific Maths Topic each half term. As well as a more specific Maths Topic, Money and Time skills are threaded throughout teaching and learning in each half term.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS Curriculum	<i>Let's Sing a Song</i>	<i>What's in your toy box?</i>	<i>Where do the animals live?</i>	<i>What tickles my taste buds?</i>	<i>Community Heroes</i>	<i>Off to the Beach</i>
	In EYFS, we engage in number songs and experience sensory exploration of number, shape and space. We introduce mathematical vocabulary through play and enjoy practical opportunities to count and explore mathematics through ICT.
